About the Company

Founded in 2001, Mare Group, a digital engineering company listed on the Euronext Growth Milan market, operates across the entire value chain of technological innovation. With over 2,000 clients, more than 300 employees, and 16 operational and commercial locations, Mare Group is a key player in the Italian innovation ecosystem. Significant investments in R&D and the 11 acquisitions completed since 2019, followed by subsequent mergers, demonstrate the Group's strong ability to integrate complementary resources and technologies to expand its product portfolio and increase market presence
