

MARE GROUP JOINS AIAD – CONFINDUSTRIA'S FEDERATION FOR AEROSPACE, DEFENSE, AND SECURITY

Pomigliano d'Arco (NA), April 29, 2025

Mare Group S.p.A., (ticker **MARE.MI**), azienda di ingegneria digitale quotata su Euronext Growth Milan e attiva in Italia e all'Estero nell'innovazione attraverso tecnologie abilitanti ("**Mare Group**", la "**Società**" o il "**Gruppo**"), comunica la propria adesione ad AIAD – Federazione Aziende Italiane per l'Aerospazio, la Difesa e la Sicurezza.

Mare Group S.p.A. (ticker **MARE.MI**), a digital engineering company listed on Euronext Growth Milan and active in Italy and abroad in innovation through enabling technologies ("**Mare Group**", the "**Company**" or the "**Group**"), announces its membership in AIAD – the Italian Federation of Aerospace, Defense and Security Companies.

Founded in 1947 and part of the Confindustria system, AIAD represents nearly all Italian high-tech companies operating in the defense, aerospace, and security sectors, promoting their competitiveness, access to international markets, and participation in European research and development programs

Joining AIAD strengthens Mare Group's positioning in the strategic sectors of aerospace and defense, consolidating institutional dialogue and facilitating access to new opportunities for collaboration and technological development.

Luigi Di Palma, General Manager of Mare Group, stated: “Joining AIAD represents a natural step in our growth path in highly specialized sectors such as defense, security, and aerospace, where Mare Group is already active with proprietary technologies and significant projects. We aim to contribute to the development of a national supply chain that is increasingly autonomous, innovative, and integrated, in line with the strategic objectives of the country”.

This press release is available on the Company's website www.maregroup.it/investor-relations.

About the Company

Founded in 2001, Mare Group is a digital engineering company listed on Euronext Growth Milan, operating in the areas of Applied Engineering and Digital Services, with a business model based on technological platforms. With over 2,000 clients, more than 300 employees, and 16 operational and commercial offices, Mare Group is a key player in the Italian innovation ecosystem. Significant investments in R&D and the 12 acquisitions completed since 2019, along with subsequent mergers, demonstrate the Group's strong ability to integrate complementary resources and technologies to expand its product portfolio and increase its market presence.
